SINGLE GANG

DUAL GANG

INTUMESCENT PADS

Please Note:

The above products should be supplied with intumescent pads fitted in the positions indicated in the above drawings.

- IF THE PADS ARE MISSING OR APPEAR TO BE DAMAGED IN ANY WAY, PLEASE DO NOT INSTALL THIS PRODUCT and contact your distributor for replacement goods.
- THESE PADS MUST NOT BE REMOVED; doing so would cause the product to fail under the BS7671 IEE Wiring building regulations.
