

Sovereign Plus Trunking Product Data Sheet

| | | |
|---------------------------|---|--|
| Product Range | PVC-U Trunking Systems | <p>Image for reference only</p>  |
| Description | Sovereign Plus | |
| Key Features | <p>3 segregated compartments</p> <p>Tamper Proof Covers</p> <p>Overlapping Fittings</p> <p>Moulded Internal & External Corners</p> <p>Accessory boxes designed to accept square or radiused corner accessories</p> <p>Can be used with Mini Trunking</p> <p>Impact (Lengths) – IK08 (5 Joules)</p> <p>Impact (Fittings) – IK05 (0.7 Joules)</p> | |
| Dimensions | 75 x 20mm | |
| Material(s) | PVCu | |
| Compliance / Standards(s) | <p>CE & UKCA Marked</p> <p>Low Voltage Directive 2014/35/EU</p> <p>The Electrical Equipment (Safety) Regulations 2016</p> <p>BS 7671:2018</p> <p>BS EN 50085-1:2005+A1:2013</p> <p>BS EN 50085-2-1:2006+A1:2011</p> <p>BS 5733:2010+A1:2014</p> <p>BS EN IEC 60695-2-11:2021</p> | |
| Packaging | Recyclable | |

Sustainability

We work hard to ensure our products meet the highest standards and are totally committed to the environment and maximising our usage of recycled material within our manufacturing process.

Our extruded PVC-U products are manufactured from combination of recycled PVC-U and virgin PVC-U with some base products produced from 100% recycled material.

This range is manufactured from PVC-U, a material that is 100% recyclable, is flame retardant and self-extinguishing.
